Extension of the Public Comment Period

In the November 1, 2018 proposed rule (83 FR 54982) titled, “Medicare and Medicaid Programs; Policy and Technical Changes to the Medicare Advantage, Medicare Prescription Drug Benefit, Program of All-inclusive Care for the Elderly (PACE), Medicaid Fee-For-Service, and Medicaid Managed Care Programs for Years 2020 and 2021,” we included preamble language and regulatory provisions regarding the proposed Risk Adjustment Data Validation audit methodology and the proposal not to apply a Fee-For-Service (FFS) Adjuster. We posted a FFS Adjuster Study on October 26, 2018. We plan to release data underlying this study.

In order to maximize the opportunity for the public to provide meaningful input to CMS, we believe it is important to allow additional time for the public to prepare comments on the RADV provisions of the proposed rule. In addition, we believe granting a 120-day extension to the public comment period in this instance would further our overall objective to obtain public input and to generate information that will be useful to our agency’s decision makers. Therefore, this document announces the extension of the public comment period until April 30, 2019 for the RADV provisions included in the November 1, 2018 proposed rule (83 FR 55037 through 55041 and 55077).

Dated: December 19, 2018.

Administrator,

Centers for Medicare & Medicaid Services.
